**PERMANENT INJUNCTION AND ORDER
DIRECTING THE CLERK TO ENTER JUDGMENT**

For the reasons set out on the record of the hearing on August 18, 2016,

IT IS ORDERED:

1. The joint motion for final relief, ECF No. 24, is granted.

2. The plaintiffs' claims under Florida law are voluntarily dismissed without prejudice.

3. The merits of the plaintiffs' claims under federal law are consolidated with the preliminary-injunction proceedings. The record is closed. The claims are treated as having been tried on the written record. Each side has waived any objection to this procedure, but neither side has waived any position on the merits.

4. The court's findings of fact and conclusions of law are set out in the order granting a preliminary injunction entered on June 30, 2016. ECF No. 20.

5. The preliminary injunction is made permanent by this order. The defendants must not act or refuse to act in any manner based on Florida Statutes § 390.0111(15) or the second sentence of Florida Statutes § 390.012(1)(c)2, as amended by Laws of Florida, chapter 16-150 ("the enjoined provisions"). The defendants must not terminate any grant, contract, or other funding device based on the enjoined provisions and must not fail to renew any grant, contract, or other funding device that, but for the enjoined provisions, would have been renewed or would be renewed.

6. This injunction binds the defendants and their officers, agents, servants, employees, and attorneys—and others in active concert or participation with any of them—who receive actual notice of this injunction by personal service or otherwise.

7. The clerk must enter judgment and close the file.

SO ORDERED on August 18, 2016.

United States District Judge
